

## **EXPERIENCED Registered Veterinary Technician**

Fast-paced pet hospital seeks an **EXPERIENCED**, talented, friendly, responsible, computer savvy and motivated **RVT, CVT, Vet Tech or Vet Assistant** to join our great team.

Open availability is required including Saturdays and Sundays.

Supervisor role potential for the experienced leader and an alternative work week is available!

We are a multi-doctor practice with three locations in Goleta, Santa Barbara and Montecito, committed to exceptional medicine, surgery and customer service, and we continually educate our valued clients and staff.

The current full-time job opening is at [San Roque Pet Hospital](#)

We diagnose and treat patients with innovative technology, including:

- Digital Radiography (General and Dental)
- Sevoflurane anesthesia
- LifeWindows monitoring (EKG, ETCO<sub>2</sub>, SpO<sub>2</sub>)
- Endoscopy
- Cardiac and abdominal ultrasound.

You will assist doctors with procedures and treat patients (dogs, cats, small mammals) with compassionate care and with strong attention to detail.

Excellent salary and benefits package for full time employees.
