

[Mariner's Mile Pet Clinic](#) is a busy 2-doctor general practice (dog & cat exclusive) in a cozy residential neighborhood in Newport Beach, California. We are looking for dependable individuals who are focused on delivering excellent client and patient care. We strive for boutique-styled concierge service for our clients and offer exceptional standards of medical care with sincere compassion for our patients.

Experience in veterinary medicine is **REQUIRED**. Applicants need to be team players, work well in a fast-paced environment, able to multi-task, communicate effectively with verbal and written and electronic typed skills, and most importantly enjoy a fun and lively workplace.

Applicants need to be proficient in venipuncture, dentistry, radiographic technique & positioning. Technicians are expected to be able to efficiently and accurately complete doctor orders and provide effective client communication and education.

We enjoy training and mentoring at all levels for more than just the basic job duties.

Saturday availability required. Part-time to Full-time position to be determined.

Background screens and previous employment verification will be performed. We are a DFWP.

#### **Responsibilities:**

- Provide information and explanation about the products and services we provide
- Triage routine, urgent, and emergency situations
- Patient restraint, diagnostic sample collection, & diagnostic interpretation
- Administer in-patient and hospitalized patient care
- Anesthetic monitoring and surgical assisting
- Perform dental prophylaxis and radiographs

#### **Qualifications:**

- Previous experience in veterinary medicine
- Valid California RVT license
- Ability to build rapport with clients and deliver personable interactions
- Ability to prioritize and multitask
- Positive and professional demeanor
- Excellent written and verbal communication skills

At Mariner's Mile Pet Clinic, we treat pets like beloved family members and we guarantee to provide the best available medicine and medical service to our patients and clients. We also believe in creating a work environment that generates rewarding personal interactions among our staff. We value and nurture continuous improvement through professional growth and development.
