

Veterinary Specialty Hospital (VSH) is looking full-time Veterinary Technician to join our Emergency and Client Care team.

About Veterinary Specialty Hospital: At VSH our mission is to advance the veterinary profession through our leadership in medicine, education, business and promotion of the human-animal bond. We strive to bring together caring, warm and intelligent people who love to serve and help and are among the best in their field.

About the Job: As a Vet Tech in the Emergency and Client Care team you will be responsible to:

- Responsible for assisting specialist in triaging, admitting, and processing patients
- Perform anesthetic monitoring including intubation/extubation of patients, monitoring vitals, troubleshooting of machines and occasional surgical assisting
- Obtain and prepare various blood samples for diagnostic testing
- Accurately take and process multiple types of radiographs
- Participate in endoscopic procedures, including obtaining biopsy specimens and maintaining equipment
- Provide client education on common internal medicine diseases (i.e. immune mediated diseases, kidney disease and failure, diabetes, and cushings).
- Accurately enter new clients, patients, and update existing information
- Answer all incoming calls and handle all client requests in a timely manner
- Schedule appointments, handle routine inquiries, and collect deposits and payments over the phone
- Answer multiple phone lines in a prompt and professional manner, direct calls, fax and scan

Shift Info: Monday – Thursday 4:00pm – 2:30am (1 Saturday per month & on call 1 per rotation)

About You:

- Minimum of 1 year of experience working in a veterinary hospital setting required. Recent graduates with an Associate's or Bachelor's degree in Veterinary Technology will be considered.
- Comprehensive understand and experience with anesthetic monitoring is required
- Proficiency in processing basic laboratory specimens and working knowledge of radiographic techniques is required
- CVT, RVT, LVT, or VTS preferred
- Ability to work in a highly collaborative environment and commitment to develop long-term relationships with colleagues, clients, and community is required.
- Excellent communication and organizational skills are required, and the ability to deliver exceptional client service is expected.
-

Benefits of Working at VSH:

- Compensation is based on experience and skill level.
- Full-time benefits include pet insurance, health, dental, vision, disability and life insurances, flex-spending accounts, 401(k), Employee Assistance Program, paid time off, uniforms, and a generous CE allowance.
