

Veterinary Specialty Hospital (VSH) is looking for a full-time Veterinary Technician for our **Emergency Department**.

About Veterinary Specialty Hospital: At VSH our mission is to advance the veterinary profession through our leadership in medicine, education, business and promotion of the human-animal bond. We strive to bring together caring, warm and intelligent people who love to serve and help and are among the best in their field.

About the Job: As a Vet Tech in the Emergency department you will be responsible for:

- Triaging incoming patients and managing clients throughout their visit
- Partner with DVM's in patient assessment, diagnostics, treatments, and procedures
- Obtaining and processing laboratory samples such as blood, urine, free fluid, and fine needle aspirates.
- Utilize different modalities of imaging for patient assessment
- Executing, monitoring, and recovering all assigned sedation and anesthetic events

About You:

- Minimum of 2 year of experience working in a veterinary hospital setting required. Recent graduates with an Associate's or Bachelor's degree in Veterinary Technology will be considered.
- 1 year of emergency experience preferred
- Comprehensive understanding and experience with anesthetic monitoring is required
- Radiographic techniques is required
- CVT, LVT, or VTS preferred
- Ability to work in a highly collaborative environment and commitment to develop long-term relationships with colleagues, clients, and community is required.
- Positive outlook and ability to work well in a collaborative environment.
- Excellent communication and organizational skills are required, and the ability to deliver exceptional client service is expected.

Benefits of Working at VSH:

- Compensation is based on experience and skill level.
- Full-time benefits include pet insurance, health, dental, vision, disability and life insurances, flex-spending accounts, 401(k), Employee Assistance Program, paid time off, uniforms, and a generous CE allowance.
