

Veterinary Specialty Hospital (VSH) is looking for a full-time Veterinary Technician to join our Radiation and Oncology team.

About Veterinary Specialty Hospital: At VSH our mission is to advance the veterinary profession through our leadership in medicine, education, business and promotion of the human-animal bond. We strive to bring together caring, warm and intelligent people who love to serve and help and are among the best in their field.

About the Job: As a Vet Tech in Radiation and Oncology department you will be responsible for:

- Overseeing appointments and managing clients throughout their visit.
- Participating with DVM's in patient assessment, diagnostics, treatments, and procedures.
- Obtaining and processing laboratory samples such as blood, urine, free fluid, and fine needle aspirates.
- Utilizing different modalities of imaging for patient and procedural assessment.
- Executing, monitoring, and recovering all assigned sedation and anesthetic events.
- Providing empathy, comfort, and unparalleled nursing care to all patients being a strong patient advocate during the patient's hospitalization.
- Maintaining all equipment on a per-use basis ensuring the safety and best practice care of all patients
- Advanced knowledge along with preparation and administration of various chemotherapeutic agents
- Providing extensive client communication and education on various oncology disease processes.

About You:

- Minimum of 2 years of experience working in a veterinary hospital setting required. Recent graduates with an Associate's or Bachelor's degree in Veterinary Technology will be considered.
- Comprehensive understand and experience with anesthetic monitoring is required
- Proficiency in processing basic laboratory specimens and working knowledge of radiographic techniques is required
- CVT, LVT, or VTS preferred
- Ability to work in a highly collaborative environment and commitment to develop long-term relationships with colleagues, clients, and community is required.
- Positive outlook and ability to work well in a collaborative environment.
- Excellent communication and organizational skills are required, and the ability to deliver exceptional client service is expected.

Benefits of Working at VSH:

- Compensation is based on experience and skill level.
- Full-time benefits include pet insurance, health, dental, vision, disability and life insurances, flex-spending accounts, 401(k), Employee Assistance Program, paid time off, uniforms, and a generous CE allowance.
