

[Best Friends Animal Society in Kanab, Utah](#) is looking for several
Veterinary Technicians

to join our team at the largest animal sanctuary in the country!

Help to save lives in our new state-of-the-art hospital where we pride ourselves on offering homeless pets the same top-of-the-line care that animals with the most loving families would have their vets provide. The new 13,000-square-foot facility offers a private room for shy community cats to stay before and after spay/neuter surgery, a dedicated dental suite, a state-of-the-art laboratory, an x-ray suite, an ultrasound room and many more features that allow us to provide top-notch care.

So, follow your dream and come live among the beautiful red rock canyons, and put your veterinary technician experience to work for the animals who need you most – homeless pets.

Join Best Friends and turn your career into a labor of love. The benefits package is one of the best!
