

## Codornices Veterinary Clinic

### **\*\*LOOKING FOR AN EXPERIENCED RVT AND VETERINARY TECHNICIAN/ASSISTANT\*\***

We are looking for an experienced RVT and/or an experienced veterinary technician/assistant. We are a small animal practice with a total of 4 DVMs, 8 technicians (3-4 RVTs) and 4 receptionists. Our staff of DVMs, technicians and receptionists are a close-knit group of people who share a strong desire to provide the best possible care to each and every pet we see.

Must be proficient doing the following:

- Ability to induce, intubate (RVT) and recover anesthetized patients
- Assist and monitor anesthetized patients during surgical procedures
- Perform dental prophylaxis, ability to take digital dental radiographs
- Take diagnostic X-rays
- Skilled in placing IV catheters, drawing blood, bandage application
- Follow directions given by the DVM or lead tech of the day
- Accurately calculate drugs, administer medications via intravenous, intramuscular, subcutaneous, etc.
- Ability to triage cases
- Perform in house lab tests (I-stats, WBC, PCV/TP, UA, urine cultures...)
- Communicate clearly and professionally with clients
- Working knowledge of veterinary pharmacology/nutrition/cat and dog vaccination schedules/cat/dog behavior
- Familiar with Intravet and Idexx (not a requirement)
- SAFELY restrain patients

If you have 2-3 years' experience as an RVT (CA license required) or have 1-2 year(s) experience as a veterinary technician/assistant with the above skills, we would like to meet you. If you are honest and trustworthy, we would like to meet you. If you are punctual and dependable, we would like to meet you. If you are detail oriented, team oriented and have a strong work ethic as well as a sense of humor, we definitely want to meet you!

We offer excellent benefits: Health Insurance, Pet care, PTO (personal time off), Holiday pay, stipend for CE courses, scrub allowance and more! Salary offered is competitive and based on DOE.

We work Mon-Sat, 4-10-hour days, with most Saturdays required. We mainly see dogs and cats, once in a while a bunny or goat (yes, goat! twice during my time). If you are looking for a full time or part time position in this wonderful field of veterinary medicine, please send us a cover letter with your resume and references (veterinary work/education related).

We look forward to meeting you!
