

**7,000 people, one global focus -  
enhancing the health and well-being of pets, people, and livestock**

**We are passionate about what we do at IDEXX – and why wouldn't we be? When you're working to raise the standard of care for pets, make drinking water safe for billions and keep our livestock population around the globe healthy and free of disease, it's no wonder that what we do each day is more than just a job. There's an energy across IDEXX that is contagious – where caring and committed people come together to make things better.**

**We are looking for a Medical Laboratory Technician II  
in our Fremont, CA reference Lab!**

The role performs laboratory analyses and tests. You will prepare samples, set up instruments, run and read tests, interpret and release results. In addition, you may perform a variety of customer service activities for internal and external customers. It is a part time, (30 hr/wk), benefited position with approximate hours of Monday-Friday 12:30 pm-6:30pm.

**IDEXX Laboratories, Inc.** is a leader in pet healthcare innovation, serving practicing veterinarians around the world with a broad range of diagnostic and information technology-based products and services. IDEXX products enhance the ability of veterinarians to provide advanced medical care, improve staff efficiency and build more economically successful practices. IDEXX is also a worldwide leader in providing diagnostic tests and information for livestock and poultry and tests for the quality and safety of water and milk. Headquartered in Maine, IDEXX Laboratories employs more than 7,000 people and offers products to customers in over 175 countries.
