

Join our amazing team at [Paw Rehab!](#)

Do you want your next position to be working in a state-of-the-art rehabilitation therapy center that emphasizes quality of care, a positive healing environment, an amazing clientele, and a staff of compassionate team players who truly love what they do?

We are now accepting resumes for an **RVT / CVT**

(**CCRA/CCRP** or rehab experience/interest preferred, but all veterinary technicians are welcome to apply).

We seek to hire team players who are dedicated, enjoy client interaction, and have excellent communication skills. This position is perfect for technicians who are looking for increased hands-on interaction with patients, improving a pet's quality of life through pain management and assisting with mobility or enhancing their post-op recovery. Be rewarded by seeing the progress of your patient and the joy of a pet parent that you helped contribute to!

**Ideal candidate's qualifications should include:**

- a minimum of two years veterinary experience including patient care,
- client communication and technical skills,
- word processing,
- digital records/practice software,
- and CVT or RVT credentials for the state of CA.

Certification or training/coursework completed in canine rehabilitation therapy and experience in rehabilitation therapy, orthopedics and/or neurology is preferred but we will consider those with a strong interest in these fields and those interested in pursuing coursework in rehabilitation therapy and/or pain management.

If you're interested in applying to join our dedicated and compassionate team, we invite you to drop off a cover letter and resume or email us at [admin@pawrehab.com](mailto:admin@pawrehab.com).

**\*Please make sure to include a cover letter or brief intro paragraph about yourself! \***
